

ROMPERS PRIVATE NURSERY

VOLUNTEER/STUDENT/ WORK EXPERIENCE PLACEMENT POLICY

Policy Statement:

At Rompers we believe it is important to allow opportunities for volunteers and students to be able to gain valuable experience from spending some time in the nursery setting. We offer placements for students to come from both school and college and gain the experience of working in a team.

Aims of this Policy:

- To ensure we can offer a safe and secure environment for volunteers and students to come in to nursery
- To ensure that all staff, volunteers, students and work experience are aware of duties that they can take part in safely
- To ensure that parents are made aware of when students will be in nursery, which room they will be mainly situated in and how long they will be with us for
- To ensure that children's safety is paramount during volunteer, student and work experience placements

Procedures:

- Before a student or work experience placement takes place check must be made to ensure that they are covered by their education sectors insurance i.e school, college etc.
- Before a student, volunteer begins, college should confirm that it is ok for them to start.
- Before a volunteer, student or work experience begins placement management will inform relevant team/team leaders on the duties that are suitable for the volunteer or students to take place in
- Before a volunteer, student or work experience begins their placement, information will be typed in the monthly newsletter giving details on the name of the volunteer, student or work experience their start and completion date off their placement and the room in which they will be mainly situated within
- Before a volunteer, student or work experience starts their placement, management will carry out a simple induction, pointing out fire escapes, health and safety and relevant policies
- Before a volunteer, student or work experience starts they will be informed about being company expectations what to wear and the correct procedure for absence etc.

- Before a volunteer, student or work experience starts, they will be introduced to each member of staff situated in each room
- Volunteer, students or work experience should be introduced to parents in person.
- Each student will be allocated a member of staff as their mentor to ensure they are supported during their time at Rompers
- Management and staff will ensure that no volunteer, student or work experience would be left alone with any children at anytime
- No volunteer or student will be able to start placement until all relevant checks have been taken by management for example, PVG Scheme (work experience exempt)
- Students, volunteers or work experience will be asked to read our confidentiality policy and adhere to this
- Student and volunteers will be asked to adhere to the mobile phone and social networking policy whilst at Rompers.
- Volunteers, students or work experience will be asked not to leave the premises during their working day and will be asked not to smoke during their time at Rompers

Monitoring:

- Ensure that the relevant company carries out health and safety checks and management or owner receive feedback
- Ensure that placements are planned and parents are informed in advance where possible
- Ensure that management oversee monitoring of mentor to provide appropriate support to volunteers and students
- Ensure that management explain to relevant people and make them aware that under no circumstances should volunteers or students be left alone with children
- Management or owner to carry out risk assessment before volunteers and students begin placement
